

2019 BMS Football

Dear 6th Grade Families,

Welcome to another exciting year of Warrior Football. I met with 6th graders interested in Football back in February. I am looking to start getting kids signed up on my Remind 101 list so I can contact you throughout the summer about pre-season workouts and when practice starts. You can download the Remind 101 app. Once downloaded, you want to add the class code @2019bmsf. You can also send a text to 81010 and in the message type @2019bmsf. Please have your player sign up on their phone, if they have one. I am looking forward to another successful season. I have attached the dates when the season begins. If your child is planning on playing, please make sure they are there for day 1. We don't accept players after school starts.

There will be a summer football camp ran by the high school football team. Please check the athletic site for dates.

You must have physical form completed, after April 15th, and pay to play will be \$90. This must be paid ASAP. Pay to play is encouraged to be paid online through parent portal of MiStar.

All physicals and payments must be taken to the high school athletic office. I do not accept physicals or payments at the field. There will be a physical day at the high school in June. Please contact the Athletic office for the date.

***Warrior Football camp will be announced soon. Please be on the lookout for that. Cost is \$55. You can register at <http://www.warriorssportscamps.com/register.cfm>**

Here is the current district policy on pay-to play:

**\$90 per activity per student. (\$180 Cap)
\$50 for reduced lunch students (\$100 cap)
\$25 for free lunch students (\$50 Cap)**

Equipment Pick-up: All equipment is included. You may purchase your own, but we will provide everything. You just need a cup and spikes. Wednesday, August 14th, we will have equipment pick up at PHMS for those that have already paid their PTP to the high school. No equipment will be issued until that is taken care of.

Summer Practice Schedule – All practices are at Patrick Henry Middle School and will begin at the end of August.
